## **CERTIFICATION AGREEMENT AND DECLARATION**

By signing page 1 of this form each signatory hereby declares, understands and agrees that:

- All the information supplied in this form is, to the best of my knowledge, accurate, and that all relevant information has been supplied.
- I have read the Organic Food and Farming Standards in Ireland Edition 2 and confirm that the provisions of the relevant standards contained therein have been observed from the date of application and will be henceforth. I also agree to comply with all Standards including any updates that are published by Irish Organic Association\* (IOA).
- I will allow IOA inspectors and other authorised personnel full access to my operation and sub-contractors and relevant records and documents during normal working hours, in order that they can check compliance with the IOA Standards. Inspection visits will normally be arranged at a mutually convenient time, but spot check/unannounced inspections may be carried out. I agree to the exchange of information between IOA and any other Organic Certification Body (OCB) involved in the certification of my products through my own certification and that of sub-contractors. If I change OCB I accept the transmission of my organic file in its entirety to the subsequent OCB.
- I will provide any information requested by the inspector and certification staff in order for an accurate assessment of my operation to be made. I accept that information pertaining to my participation in the IOA organic certification process may be released to the relevant Competent Authority (DAFM/NICA) and/or the Irish National Accreditation Board, and that representatives from the aforementioned may attend inspections as observers. I understand that IOA will treat all information received in the strictest confidence.
- I will allow IOA inspectors or authorised personnel to take samples (for example meat, soil, grain and plant material) from my holding/enterprise, and pass these on to third parties for testing. I understand that IOA will treat all information received in the strictest confidence.
- I understand the requirements and obligations of my Licence with IOA. I accept that any breach of the IOA Standards could lead to the termination of my Licence. Where corrective action is required in order for my Licence to be issued/renewed I agree to undertake this corrective action in a timely manner to ensure compliance with the IOA Standards. I also agree that I may have to incur additional inspections to demonstrate compliance with IOA's Standards at my own expense.
- If I wish to lapse from IOA's Inspection & Certification Scheme I will undertake to provide written notice at least 1 month before the Licence expiry date.
- I accept that if my Licence with IOA is suspended, withdrawn or terminated (by choice or as a result of enforcement) I must discontinue to use any and all labelling, packaging and advertising/marketing material that contains any reference to IOA and must return any in-date Licences and Certificates of Registration to IOA within a specified timeframe and that DAFM/NICA (and IOA where applicable) will be notified immediately. I undertake to inform in writing the buyers of any affected product in order to ensure that the indications referring to the organic production method are removed where applicable. I accept that IOA will retain my file for a minimum of five years after withdrawal/termination/lapsing of my Licence.
- I agree to inform IOA immediately of any irregularity or infringement affecting the organic status of my products or organic products received from other operators or sub-contractors.
- If I am required to provide a copy of my Licence or Certificate of Registration to another party the documents will be reproduced in their entirety.
- I will fully comply with the labelling requirements when referring to organic production, or when using the IOA Symbol on any of the labelling, packaging or advertising/marketing material. I understand that the IOA Symbol is a registered trademark and must only be used in association with the fully organic products listed on my Licence or certificate of registration.
- I will ensure that the IOA trademark is not used in a misleading manner and is only portrayed in accordance with published guidelines and only in relation to products/processes consistent with the scope of my certification.
- I agree to keep a register of all complaints received along with what action has been taken to close out the complaint and retain all documents in relation to complaints received. I will allow IOA personnel access to all areas and records for the investigation of any complaints received.
- I will pay all licencing fees, as notified by IOA, in accordance with its terms of business. I also accept that other fees may apply if additional inspections are required, or if an agreed inspection date is cancelled within less than five working days' notice.
- I declare that I have not been convicted of an offence under the Animal Remedies Act 1993 or related Orders, nor have I been convicted of any offences in relation to my agricultural/food/product processing activities.

Having checked the information recorded in this form, I am satisfied that, to the best of my knowledge, the information supplied is correct and has been accurately recorded. I undertake to inform IOA in a timely manner of any changes in relation to my operation that may affect my Licence or my ability to comply with the certification requirements.
