

Organic Grant Aid Scheme

SCHEME DUE TO OPEN SOON (not opened yet)

Organic farmers are set to be able to avail of significant grant aid for key equipment under the [TAMS II](#).

A large array investments are eligible under the Organics Capital Investment Scheme – see list below:

Organic equipment / Machinery

- Straw chopper (per) item **€13,459.00**
- Topper (mounted) (per) linear metre **€848.00**
- Topper (trailed) (per) linear metre **€1,357.00**
- Mower linear (per) metre **€2,879.00**
- Haybob (per) item **€2,996.00**
- Slurry pump/agitator (per) item **€3,712.00**
- Loader (front-mounted) (per) item **€5,956.00**
- Dung fork (per) linear metre **€555.00**
- Dung spreader (per) m3 **€921.00**
- Seeders – tractor mounted (per) linear metre **€4,229.00**
- Harrow – tractor mounted (per) linear metre **€834.00**
- Disc cultivator (per) linear metre **€1,450.00**
- Two-wheeled tractor with detachable rotary tiller horse power (per) (HP) **€420.00**
- Laser guidance weeder hoe system (per) linear metre **€2,303.00**
- Mulcher (trailed) (per) linear metre **€2,303.00**
- Grain dryer tonne per hour output **€8,062.00**
- Grain cleaner tonne per hour output **€296.00**
- Insect netting (per) m2 **€0.50**
- Bird and hail netting (per) m2 **€0.42**

Organic Structures

- Replace slats with slabs for organic cattle houses (per) m2 **€57.10**
- Organic free range laying hen house (fixed) (per) m2 **€264.20**
- Organic free range broiler house (fixed) (per) m2 **€191.70**
- Permanent fencing of organic poultry run (per) linear metre **€12.40**
- Pig kennels (per) m2 **€57.00**
- Permanent pig fencing (per) linear metre **€6.15**
- Hay/straw store (per) m2 **€89.90**
- Polytunnel m2 (per) **€37.00**
- Concrete floor (per) m2 **€24.60**
- Irrigation system (per) m2 **€2.50**
- Grain store (per) m2 **€211.30**
- Ventilation system for grain store (per) m2 **€13.00**
- Grain bin / meal bin (per) m3 $y = 68.51x + 2202$
- Potato store (per) m2 **€202.50**

- Ventilation system for potato store (per) m2 **€23.10**
- Produce store (per) m2 **€202.50**

Rain Water Harvesting

- Filters designed for flow from up to 200m2 roof area (per) item **€311.60**
- Filters designed for flow between 201m2 and 500m2 roof area (per) item **€425.00**
- Covered drains uPVC 150mm (per) linear metre **€8.06**
- Covered drains uPVC 225mm (per) linear metre **€8.60**
- Covered drains uPVC 150mm under existing concrete (per) linear metre **€22.09**
- Covered drains uPVC 225mm under existing concrete (per) linear metre **€24.80**
- Manholes (including cover) (per) item **€222.58**
- Round gutter (including all brackets stop-ends, outlets and fixing) (per) linear metre **€17.58**
- Box gutter (including all brackets stop-ends, outlets and fixing) (per) linear metre **€18.68**
- Rain water downpipes (including offsets toes and fixing) (per) linear metre **€19.78**
- Sumps (including cover) (per) item **€222.58**
- Sump pump (per) item **€397.19**
- UV treatment (per) item **€1,555.00**
- Chlorination treatment (per) item **€1,750.00**
- Water meter (per) item **€181.25**
